

# Paul and Jesus: An Unholy Divide?

## **Was Paul the creator of Christianity or a faithful servant of Christ?**

**Many people find Paul's teaching difficult. It is often argued that Paul changed the message of Jesus - for the worse: he replaced Christ's message of love with a dogmatic gospel of his own that is altogether less tolerant. Did Paul create an unholy divide between Christ and Christianity?**

**Dr David Wenham, Vice Principal of Trinity College Bristol and leading scholar on Paul and Jesus, will explain why this view is held and offer a critical assessment.**

**Sunday 26th April, 6.30pm.  
The Holy Redeemer Parish Hall, Churchmore Road.**
